## Hinei Mah Tov (by Nefesh Mountain)

Yai Lai Lai

We come from a tale told long ago  
Passed on by the waves and the  
wind  
We've made it this far together, you  
know  
Come brothers and sisters lets sing

**Hinei mah Tov umanayim  
shevet achim gam yachad (x4)**

Come gather around and hear the  
song  
If you are the wandering kind  
You can make it alone, but just so  
you know  
We leave no one behind

Our mothers and fathers who've  
weathered the storms  
Stood strong through the trials of  
their time  
So we brothers and sister, *L'dor  
Vador*  
Carry on with this song in our lives

**Hinei Mah Tov...**

We'll sing out this song for years to  
come  
in a story without an end  
For how good it is to be among  
our brothers and sisters and friends

## Ken Y'hi Ratzon (by Elana Arian)

May I be safe, may I be free,  
May I find space, space to just  
bee

Ken Y'hi Ratzon, Ken Y'hi Ratzon,  
May I find my way back home (x2)

Verse 1:

We call to mind,  
Someone who has been good to  
us,  
A teacher, a friend,  
Someone who brings a smile  
when we think of them  
We open up our hearts, and offer  
them this blessing.

May you be safe, may you be  
free...

Verse 2:

We call to mind someone who has  
been difficult to us  
Someone who is a challenge  
Someone who we don't understand  
We open up our hearts and we try to  
offer them this blessing

May you be safe, may you be free...

Verse 3:

We call to mind all that is good here  
The love in this community, all the  
hope in this community  
And the connection we provide,  
All the good that we can do together  
We open up our hearts and offer  
ourselves this blessing:

May we be safe, may we be free...
